2026-2027 Chicago ANG Workshop Coupon #2

There's Often a Twist with Sue Reed

February 6 and 7, 2027 Virtual Workshop with Ghost Option

Registration Deadline: September 27. 2026

How about adding a few twists to your stitching? While designing this piece I had several "what if I tried this instead?" moments. The result is There's Often a Twist with ten different patterns in sixteen blocks surrounded by a calming border. The blocks are filled with fun, some challenges, and a few twists are added here and there. There is a repetition and/or variation of patterns in several blocks to create a continuity to the design.

Some stitches used are Japanese braid, a variety of cross stitches, eyelets, satin, straight, couching, double fan doubled, Chilly Hollow, Rhodes, and crescents.

You will be exposed to color matching Watercolours for several stitches or motifs, underside couching to turn corners, beading, and... (I'm not giving away the twists!)
